Artisan to Global Market

When you talk about olive oil soap, the first manufacturer that comes to mind is Dalan for 70 years. Dalan was founded by Hamdi Dalan as an artisanal soap manufacturing facility in 1941, on the Mediterranean coast of Turkey. Today, under the leadership of, Akin Dalan, the 70.000 m² facility in Izmir, uses the latest technological developments in producing 50,000 Tones of bar soaps, cosmetic products and glycerin annually.

Dalan exports 65% of its production to over 100 countries on 5 continents, making it one of the leading soap and cosmetics manufacturers in the region. In addition to the umbrella brand Dalan, other brands Diana, Nancy, Cindy, Alara, Adalya and Roxy are sold widely.

Dalan's personal care product range contains bar and liquid soaps, shower gels, body lotions, shampoos, hair conditioners, shaving creams, hand and body creams. Dalan also produces technical and pharmaceutical glycerin as a by-product.

Leader in Olive Oil Beauty Products

Thanks to 70 years of experience in 100% olive oil soaps, Dalan's traditional, hand-made 100% olive oil Dalan Antique soap, continues to be the leader within Turkey. This line has also daphne and lavender varieties. Dalan produces olive oil from the highest quality olives in the Mediterranean, and uses them in its products to ensure optimum quality.

Inspired by the repairing properties of olive oil, Dalan has created high performance, olive oil based beauty products under the Dalan d'Olive brand, after years of research. Thanks to Mediterranean olive oil, d'Olive products are designed to moisturize, nourish and protect natural beauty. The effectiveness of d'Olive products on skin and hair has been proven by independent tests carried out by internationally accredited independent laboratories.

Sustainable Quality

Dalan abides to the highest standards in manufacturing under ISO-9001 Quality Management System accreditation as well as other requirements within jurisdictions of its export countries. Both raw materials and finished products are analyzed and quality controlled according to internationally accepted standards. Moreover, Dalan's environmental management system is beyond the legal requirements, so that the next generations can enjoy a clean and sustainable environment.

As Dalan continues to grow, we welcome the opportunity to develop markets old and new.

NATURAL CARE WITH OLIVE OIL

Since the ancient times, olive oil has been the symbol of peace, fertility and health.

Olive oil has been part of a healthy Mediterranean diet and beauty.

Olive oil is natural as it's produced through physical processes.

Olive oil's history goes back to 6500 years ago as a cure for doctors, women's beauty source and the symbol of Mediterranean civilisations.
